Our Impact

"I cannot imagine not having access to a computer for my future endeavours as an athlete, mediator, singer, poet, and so much more. As our world becomes more and more dependent on technology, it is evident that eventually I would have been left behind while attempting to hand write my work. STL has given me a tool that has played a large role in being the first in my family to attend university and make my family proud. My heart is filled with gratitude." - Brittany, STL's 2000th recipient, April 9th, 2010

Who We Are

Founded in 2003, [Sky's the Limit Youth Organization](https://www.skysthelimit.org) is a registered Canadian nonprofit organization serving under resourced youth in the GTA.

What We Do

Sky's the Limit provides refurbished laptops to youth who need them. We work with community partners to help us identify our recipients. Our partners offer STEM (Science, Technology, Engineering and Math) programming for students to expand and heighten their knowledge, skills, and employability. We have led technology camps for youth, and we work with our partners to offer camps, workshops, and programming in various aspects of technology including and not limited to: STEM, coding, employability, problem solving, program development, female identified and focused STEM, space & aeronautics, and more. We have placed 4,904 laptops to date!

Who We Help

STL provides services to youth regardless of race, gender, religious beliefs or sexual orientation. "Everybody's kids or nobody's kids"

How You Can Help

Want to join our mission to change lives one laptop at a time? We are calling on you, our supporters and believers in the power of technology to donate to our important mission. Just **\$285** puts a laptop into the hands of a deserving student.

Double Your Impact!

To celebrate our upcoming 20th anniversary on January 20th, 2023, we will match all donations made, up to \$20,000, to fund laptop donations to 20 of our partner organizations. Donate at [CanadaHelps](https://www.canadahelps.org) and help us change lives by supporting local youth!

We acknowledge we are hosted on the lands of the Mississaugas of the Anishinaabe, the Haudenosaunee Confederacy and the Wendat. We also recognize the enduring presence of all First Nations, Métis and the Inuit peoples. We acknowledge our roles as settlers in this land on Turtle Island and we are very grateful.
